Wine List

Preface

Our wine list is a considered expression of place, philosophy, and people. Curated with intent, focusing on independent suppliers from the North West.

Throughout these pages, we hope you will find a balance between familiarity and discovery. Classic appellations sit alongside expressive English wines and distinctive interpretations of classic grape varieties from emerging regions. Each bottle has been chosen for its story, and its provenance for you to enjoy and discover.

The list is bound in locally sourced venison leather, selected not only for its quality, but also as a response to eliminate waste in the food industry.
